

JOHN ANTHONY

Welcome!

RESERVATIONS REQUIRED

Please schedule your visit by scanning the QR code with your phone's camera, or please call the John Anthony wine education team.

John Anthony's Commitment to You:

- **HEALTHY TEAM:** We are screened daily and will stay home with any symptoms
- **CLEANLINESS:** The Tasting Lounge has been deep cleaned and we are practicing CDC and local guidelines. Our wine educators are required to practice frequent hand washing and sanitizing
 - **FACE COVERINGS:** We will wear these for your protection
- **REDUCED CAPACITY:** We have reduced seating. And, as much as practical, John Anthony wine educators will maintain a responsible distance during service
- **HOSPITALITY:** Our purpose is to host an unforgettable experience when you enjoy the John Anthony collection with us. Thank you for the opportunity to do so

We Ask That You Commit to Us:

- **FACE COVERINGS:** Please wear these upon entry to the Tasting Lounge. We can provide one to you as needed. Coverings may be removed upon seating, but kindly reapply them when leaving your seat for any reason, and upon departure
- **CLEAN HANDS:** Please use the hand sanitizer upon entering and often thereafter
- **ENJOYMENT:** We're in this together—delighted for the opportunity to create joy for you with our wines. We'll be doing our best and thank you for your kindness and patience with our John Anthony wine educators and your fellow guests

Scan below on your phone's camera to enter the John Anthony Tasting Lounge, schedule your visit and access our menu of current releases. Cheers!
